# LANGSTON APPLIANCE-READY

*Outdoor Kitchen*

Experience a modern open-air cooking space with the **Langston Outdoor Kitchen** Collection. Available in both Appliance-Ready and Built-In Appliance Unit models, each features a walk-in layout that keeps everything within reach, whether you're customizing your setup or choosing a fully equipped grill and pizza oven design. Built from powder-coated galvanized steel, it resists corrosion for lasting durability, and the full-coverage roof is Pro-Tect™ tested to handle up to 8,350 lbs. of snow and 100 mph winds.

Quartz countertops provide generous prep and serving space with seating for three, while the stowaway sink and outdoor-rated refrigerator keep cooking convenient. With ample storage, slat privacy walls with shelves, and TV-mount brackets, the Langston delivers durability, versatility, and comfort for every kind of outdoor cook.
