Construction

Black powder-coated galvanized steel is corrosion resistant, providing lasting durability that withstands the elements year-round while maintaining its sophisticated aesthetic.

Durability

Pro-Tect™ tested and proven to withstand up to 5,500 pounds or 30 inches of snow load, and winds up to 100 mph with a full coverage galvanized steel roof for all-weather protection.

FEATURES

Countertop

19 sq. ft. solid white marble countertop offers ample prep and serving space, eliminating the need for additional tables or trips back inside. Its easy-to-clean surface makes serving and cleanup effortless.

Grill

Custom-built 38" 304 stainless steel grill with 5 burners, 846 sq. in. cooking area, warming rack, flame tamers, sear zone, and infrared rotisserie. Engineered for high-end performance, its custom design combines heavy-duty construction and premium features while delivering 72,000 BTUs and supporting propane or natural gas conversion.

Power-Ready

Patented PowerPort™ features 3 electrical outlets and 3 USB ports to provide convenient power access for devices and appliances while mounting easily to any post on the structure (power source not included).

Pizza Oven

Custom-built 32" 304 stainless steel pizza oven with a firebrick interior reaches over 800°F for authentic, pizzeria-style results at home. Spaciously designed to fit two 12" pizzas at once and compatible with propane or natural gas.

Refrigerator

23" 304 stainless steel, outdoor-rated refrigerator withstands temperatures over 100°F with LED interior lighting and 5.3 cu. ft. capacity that holds up to 180 cans. Perfect for keeping beverages or ingredients chilled and within easy reach.

Storage

2 drawers and 5 cabinets with premium soft-close hardware provide generous space to organize cooking essentials.

Trash

15" easy-stow trash compartment features soft-close hardware and a discreet design that maintains a refined appearance. Designed to hold up to 7 gallons with a 100-pound capacity.

Sink

304 stainless steel sink with removable marble countertop cover easily converts into extra workspace when not in use, maximizing functionality.
